INDEPENDENT AUDITORS' REPORT

To members of the Board of Directors
RAF Foundation
Doha - Qatar

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of RAF Foundation (the "Foundation"), which comprise the statement of financial position as at 31 December 2017, the statements of Activities and Accumulated Surplus, Changes in Foundation's Equity and Cash Flows for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at 31 December 2017, and its financial performance and its cash flows for the year then ended in accordance with the accounting policies and procedures adopted by the management.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the Foundation's financial statements in the State of Qatar, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Financial statements for the year ended as at 31 December 2016 were audited by another auditor, who expressed unmodified opinion thereon on 25 July 2017.

INDEPENDENT AUDITORS' REPORT (CONTINUED) – RAF Foundation

Responsibilities of Management for the Financial Statements

Foundation's management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRS) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Foundation management.

INDEPENDENT AUDITORS' REPORT (CONTINUED) – RAF FOUNDATION

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Foundation to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Foundation audit. We remain solely responsible for our audit opinion.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Foundation management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other regulatory requirements

We have obtained all the information and explanations we considered necessary for the purposes of our audit. The Foundation has maintained proper accounting records and its financial statements are in agreement with provisions of Law No. (12) of 2004 on Private Associations and Foundations and the Foundation's Articles of Association. We are not aware of any violations of the provisions of the abovementioned law or the terms of the Articles of Association, which might have had a material adverse effect on the Foundation's financial position or performance as at and for the year ended 31 December 2017.
